

Jyothy Raj C.D

Acknowledged for strengthening companies to lead in highly competitive situations, scaling new heights of success with hard work & dedication and leaving a mark of excellence on every step, targeting assignments in **Software Development and Testing** with an organization of high repute

Phone: +91-8105657120 | **Email:** jyothyraj1695@gmail.com

Profile Summary

- **Achievement-driven professional** offering **extensive experience** of **over 5 years**
- Expertise in domain: **Banking – Credit Cards Domain (Mainframe based Application Projects and Vision Plus)** and have knowledge in **IT Competencies: COBOL, JCL and Vision Plus Base-1**
- Displayed **knowledge & understanding** of **software development & testing methodology** and **best practices** while **maintaining** and **enforcing quality standards**
- Keen analyst with capabilities in **project management** focusing on **maximizing customer satisfaction, process compliance** and **quality**; comprehensive experience in **executing** multiple projects
- Expertise in managing overall **software development life-cycle** involving **requirement analysis, system study, designing, architecture, defect management & documentation**
- **Gathered** and **analysed data** in **support** of **business cases**; wrote **test plans** and **scripts** for **tracking defects** and **fixes** in **software application development, information systems, and operations systems**
- Excellent capability to **interface with clients**, suggest **software solutions** and cultivate **relations** for **securing business**
- Hands-on experience in **analysing information system needs, evaluating end-user requirements, custom designing solutions** and **troubleshooting** for **complex information systems management**
- Possess **excellent communication, analytical, decision-making, problem-solving** and **leadership skills** with proven capability in **planning & managing resources**

Certification / Training

- Certified in **DB2** from **IBM**
- Completed **Vision Plus Base 1 Training** from **Capgemini**
- Completed **Flex Training** from **Attra Infotech**

Core Competencies

Software Development	Requirement Analysis	Test Cases and Plans
Quality Assurance	Process Improvement/ Enhancement	Project Execution
Risk Management	Cross-functional Coordination	Team Management

Technical Skills

- **Primary Skills:** IBM Mainframes Z/OS, Microsoft Applications, Vision Plus
- **Sub Skills:** C, C++, COBOL, JCL
- **Hands-on Experience** Vision Plus, Mainframes, CA7, JCL, AS400, PL/SQL, CONTROL-M, Flex
- **Trained Skills:** Mainframe, Vision Plus, PL/SQL
- **Database:** VSAM, DB2
- **Tools:** TSO/ ISPF, SPOOL, Omegaview, Expeditor, Oracle 11g, ENDEVOR, \$AVRS, Vision SDK, Putty, ESMAC, WINSXP
- **Others:** JIRA, ALM, AWS

Work Experience

Sep'17 to Apr'21 with Capgemini Technology Services India Limited as Associate Consultant

Apr'21 to Present with Attra Infotech as Senior Software Engineer

Projects Undertaken

DBS Data Migration (Attra Infotech)

Environment: Vision Plus
Client: Fiserv
Period: May'22 - Present
Role: Developer

Responsibilities:

- **Requirement gathering** and functional analysis to meet business requirements
- **Development / coding on Vision Plus Modules (CMS)**
- **Development** of Conversion Programs, Reconciliation Reports, Test Data Preparation
- Unit Testing
- Resolving business query and defects raised by UAT

Fiserv Cyber Security Project (Attra Infotech)

Environment: Vision Plus
Client: Fiserv
Period: Apr'21 – May'22
Role: Developer

Responsibilities:

- **Requirement gathering** and functional analysis to meet business requirements
- **Development / coding on Vision Plus Modules (CMS, MBS)**
- Unit Testing and Retrofitting.
- Resolving business query and defects raised by UAT

Australia & New Zealand (Capgemini Technology Services India Limited)

Environment: Vision Plus, Mainframe, Cards
Client: ANZ
Period: Mar'19 – Apr'21
Role: Testing

Responsibilities:

- Contributing as a part of **Environment Team**, coordinating in various **activities** like **code promotion**, performing **new changes** like **COBOL/CICS program**
- Performing **batch execution** and **batch monitoring** which comprises **Vision Plus Modules (CDM, CMS, MBS, LTS, LMS)** and contributing in **file processing** for **batch & data patching activities**
- Managing **region build, data refresh activities**, performing **batch monitoring** and **abend analysis**
- Contributing as a part of **Innovation Team**, coordinating in building a batch monitoring tool which creates the abend log in the form of table in the database and trigger the result message to the user

EMEA Cicsplex Project & Embossing/ECMS (Capgemini Technology Services India Limited)

Environment: Mainframes- COBOL, JCL and Vision Plus
Client: CITI
Period: Sep'18 – Mar'19
Role: Developer

Responsibilities:

- Worked on the:
 - **Development (Source Code & Copy Books)** and performed **unit testing** for **SIT/UAT**
 - **Preparation of high/low level design documents**, performed **SIT/UAT package promotion**, addressed ServiceNow **change request** for **PROD implementation**, rendered **batch support** and gained experience in **Change Man, NDM, Virtual Change and EPR System**

Fairstone Financial Inc. (Capgemini Technology Services India Limited)

Environment: Vision Plus

Client: CITI

Period: Feb'18 – Sep'18

Role: Tester

Responsibilities:

- Functioned on **various phases of testing** that include **SIT, E2E and UAT** for different **Vision Plus modules** like **CDM, CMS, MBS, LTS** and contributed in **test scenarios & test scripts creation**
- Successfully implemented **test cases** in **JIRA**, worked through all **aspects of CDW, GAPS, test case execution** in **ALM** for **various interfaces** and gained experience in **HPALM**

Education

- **B.E. / B.Tech. in Electrical and Electronics Engineering** from Canara Engineering College, Mangalore in 2017
- **Pre-University** from Alvas Pre University, Moodbidri in 2013

Personal Details

Date of Birth: 16th June 1995

Address: 103B, 5th Cross, 1st Main Road, Reliaable Tranquil, Haralur Main Road, Bengaluru - 560102
